

Digital Signage for Cannabis Retailers

Transform the customer experience at your marijuana dispensary

Our digital signage solutions give you the tools you need to strategically communicate marketing messages to your customers. We help you build a digital signage strategy that will make a long lasting impact.

- ✓ Use promotions to improve sales
- ✓ Manage inventory in real-time
- ✓ Save money over traditional static menus
- ✓ Drive social interaction and loyalty programs
- ✓ Create a better retail experience
- ✓ Overcome marketing challenges
- ✓ Target the right audience at the right time

Gain real time control

Our easy-to-use cloud-based platform allows you to manage your displays from anywhere, anytime. Managing your digital signage content has never been easier. Whether you manage one retail dispensary or 100, our software puts you in complete control.

Rest easy, we're here to help.
